

INSTRUCTIONS FOR PREPARATION OF FORM RHS 8-5I

INSTRUCTIONS:

1. Read the regulations at <http://www.state.tn.us/sos/rules/0400/0400-20/0400-20.htm> governing the use of radioactive material under the General License. See 0400-20-10-.10(7).
2. Please print or type the name and address of the physician, clinical laboratory, hospital, or veterinarian for whom or for which Form 8-5I is filed. (Item 1)
3. Please print or type the address of the place of use if different from Item 1. (Item 2)
4. Please indicate users status. (Item 3)
5. Complete certification. (Item 4)
6. Submit Form 8-5I in duplicate to:

STATE OF TENNESSEE
DEPARTMENT OF ENVIRONMENT AND CONSERVATION
Division of Radiological Health
William R. Snodgrass Tennessee Tower, 15th Floor
Rosa L. Parks Avenue
Nashville, Tennessee 37243
Attention: Licensing Section

NOTE

If larger quantities or forms or radioactive material other than those specified in the general license are required, an "Application for Radioactive Material License," Form RHS 8-5 should be filed. Copies may be obtained from the Department's website at www.state.tn.us/environment/. Follow the link to radiological permit forms.
